There are fees associated with specific grade levels and classes that will need to be paid apart from your monthly payment plan. (See Class Fee Sheet)

These monthly rates are based on an eleven month payment schedule beginning in July. This means payments are due in July and August when school is not in session, but it makes the payments lower. The yearly rate is the same if you pay in 11 months, 9 months, or a lump sum.

A \$10.00 late fee will be added if payment is not received by the 10<sup>th</sup> of each month.

There is also a \$50.00 testing fee to verify the grade level of new students going into grades 4-12. This fee is non-refundable.
