**Helpful Information:** This is a men's only league. Your team may have matching uniforms, but is not required. Orange scrimmage vests are available at each field for a team that is not matching. Once your team is registered, your roster is allowed to change based on the week. A team may use members of another team ONLY if they are short a field player for their game. For example, a team only has 7 players for that week. That team may allow someone else to fill that final spot, but no subs are allowed. Teams may not use a player from another team in the league during playoffs (no exceptions). Failure to follow this rule will end in disqualification of the game.

Due to playing on private property, we ask that there be no alcohol, tobacco, marijuana, or illegal drugs brought on the premises. We also ask that you respect the referees with your language and attitude.
