

State Line Christian School Referral Program

Dear Parents,

We have a referral program that takes money off of your tuition!

Here's how it works:

1. Refer a brand-new family that has never registered with SLCS.
2. The new family makes an appointment with the school for an interview.
3. The school accepts the student(s) into the school and all registration and fees are paid.
4. Upon payment of the first tuition bill of the current year from the newly registered family, you will receive a \$250 credit on your second tuition payment.

*Only one current family can claim a newly registered family.

*The program does not apply to new students that already have students enrolled in the school (for example, a family that already has a student in the school cannot claim a sibling entering into kindergarten).

*There is no limit for one individual family. If one family referred two new families (and both new families registered and paid their 1st tuition payment) the current family would receive a \$500 credit on their second tuition payment.

If you are aware of any prospective student(s), or if you have any questions, please contact the school at (734) 847-6773
